September 4, 2020

Dear Partner in Education,

I am pleased to have the opportunity to recognize you as a faithful supporter of Beaumont ISD.

We faced many challenges during the 2019-20 school year with Topical Storm Imelda and the COVID-19 pandemic. However, because of you and your dedication to the District, we were able to continue moving forward.

The value of your support does not go unnoticed and your partnership is deeply appreciated. We are excited to announce that the generosity you have shown is now recognized at the state level. The Texas Association of School Boards joins with us in honoring your valuable support for our schools.

Please accept this recognition certificate and pin in grateful appreciation for all you have done for the District. Inside the folder you will find a letter thanking you for your support, a window decal and a countertop sign that we hope you will display encouraging others to follow your lead to Stand Up for Texas Public Schools.

Thank you again for your commitment and ensuring that Every Moment Matters,

Shannon Allen
